This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a request from BroadStream Corporation (BroadStream or the Company) seeking cancellation of its Certificate of Public Convenience and Necessity to provide facilities-based and resold local telecommunications services and resold interexchange telecommunications services in South Carolina.

By letter dated March 6, 2001, BroadStream advised the Commission that the Company wished to cancel its Certificate of Public Convenience and Necessity to provide facilities-based and resold local telecommunications services and resold interexchange telecommunications services in South Carolina. BroadStream's authority to provide local and interexchange telecommunications services was granted by Order No. 2000-0207, dated February 29, 2000. BroadStream informed the Commission that the Company was dissolved, effective October 6, 2000, and that operations had not begun in South Carolina.
